**Procedure:**

- 1) You fill in the form and send it to **cores@tvh.com**. Do you hesitate if your part is repairable? Feel free to add some pictures to the email.
- 2) TVH draws up a quotation.
- 3) You give your approval and TVH gives you a purchase order number.
- 4) You add the PO number to the parcel and state the weight & dimensions; TVH will pick up the goods.
- 5) You send an invoice to **apinvoices@tvh.com** with our purchase order number mentioned on it.
- 6) After inspection & approval of the parts, TVH pays your invoice (in case of non-repairable parts, TVH contacts you).

**For any information or questions, please contact cores@tvh.com**
